

MINIMUM LICENSING REQUIREMENTS FOR CHILD DAY CARE CENTERS

WAC 388-150-430 Prohibited substances. (1) During operating hours or when the child is in care, the licensee, staff, and volunteers on center premises or caring for the child off-site shall not be under the influence of, consume, or possess an:

- (a) Alcoholic beverage; or
- (b) Illegal drug.

(2) The licensee shall prohibit smoking in the center when the child is present and in a motor vehicle when the licensee transports the child. The licensee may permit on premises smoking out doors, away from the building, where the child is not present.

[Statutory Authority: RCW [74.15.030](#). 90-23-078 (Order 3103), § 388-150-430, filed 11/20/90, effective 12/21/90.]
